

**Rice University Summer Institute of Statistics
May 17th – July 23rd, 2010**

NOTE: There will be an opportunity to participate in a professional conference in Guanajuato, Mexico (CIMAT) during the summer. All expenses will be paid, but you will need to have the proper documentation to travel to Mexico and back into the United States. You will need to send proof of required documentation by April 15th. I cannot advise as to what the required documentation is. I recommend that you check with the proper authorities. If you are a minor, you will need to have written permission from your parents to travel to Mexico.
