CAAM/STAT 581, Mathematical Probability

Instructor: Peter Olofsson

Office: DH2098

Phone: (713) 348-5681

Email: olofsson@stat.rice.edu

Course web page: www.stat.rice.edu/ olofsson/581/581.html

Grading: Equally based on weekly homework assignments and a final exam. Homework assignments will be posted on the course web page. Each homework assignment has a due date written on it. Late turn-ins are accepted but the maximum score will be lower the later it gets. You are assumed to work individually on the assignments.
